

Water bills will soon be sent as a postcard style! Be sure to keep your eyes open for the new style! We will now be sending one postcard during your normal quarterly billing cycle, then if your account is not paid in full by date on your bill you will next receive a Shut Off postcard giving you 10 calendar days to make your payment. Payments can be made in the office, dropped in the drop box outside the office, or by visiting our website www.burtchville.org then clicking Bill Pay. *Processing Fees may apply depending on the payment type.*
